

# Global Education Info – Full Website Structure & Layout Plan

## Project Overview

Purpose: A one-stop platform for students planning for higher studies abroad — providing detailed information about universities, programs, scholarships, visa, accommodation, and the complete application process.

## Tech Stack:

- Frontend: React.js + Tailwind CSS
- Backend: Node.js + Express.js
- Database: MongoDB
- Authentication: Firebase
- Hosting: Frontend → Vercel / Netlify/ Firebase, Backend → Render / Railway, Database → MongoDB Atlas

## Website Structure

Every page will include:

1. Navbar
2. Dynamic Main Content
3. Footer

## Navbar (Top Menu)

Position: Fixed top, responsive design (desktop & mobile).

Sections:

- Left: Logo →  Global Education Info (click → Home)
- Middle: 5 main menu buttons (with dropdowns)
- Right: Sign In / Sign Up buttons

## Main 5 Navbar Menus

- **1. Explore** : Universities, Countries, Programs, Rankings, Admission Deadlines
- **2. Opportunities** : Scholarships, Grants & Fellowships, Research Programs, Exchange Programs
- **3. Living & Support** : Accommodation, Cost of Living, Visa & Embassy Info, Travel Guide, Student Insurance
- **4. Test & Skills** : IELTS, PTE, TOEFL, GRE / GMAT, Skill Development Courses
- **5. Apply** : Apply Now, Track Application, Reference Agencies, Required Documents, FAQ

## Right Side (User Actions)

1. Search Icon (Global Search for university or course)
2. Dark/Light Mode Toggle
3. Sign In / Sign Up

## Home Page

Sections:

- - **Hero Section**: Background image, Search bar, CTA Buttons
- - **Top Study Destinations**: Cards for popular countries
- - **Popular Programs**: Undergraduate / Postgraduate / PhD / Diploma programs
- - **Scholarship Highlights**: Featured global scholarships
- - **Accommodation & Living**: Country-wise average cost of living
- - **IELTS & Test Prep**: Blog / practice resources
- - **Student Testimonials**: Real student experiences
- - **Newsletter Subscription**: Email signup for updates

## Main Pages

**Universities Page**: Country / Program / Ranking filters, University cards, University Details Page (Overview, Admission Requirements, Programs Offered, Tuition Fees, Scholarships, Dormitory Info)

**Programs Page**: Filter by level (Undergraduate / Postgraduate / PhD), Filter by subject, Sort by ranking or tuition fee

**Scholarships Page:** List of scholarships by country & university, Eligibility, Amount, Deadline, Apply Link

**Accommodation Page:** Info about hostels, dormitories, private housing, Cost comparison by city or country

**Visa & Embassy Info Page:** Country-wise visa application steps, Embassy addresses & requirements, Document checklist & interview tips

**Skills & Test Prep Page:** IELTS / PTE / GRE / GMAT prep resources, Free materials / mock tests / video tutorials

**Apply Now Page:** Application Form (Personal Info, Academic Background, Preferred Program / Country, Upload Documents, Submit → stored + admin notified)

**Dashboard (After Login):** Student Dashboard (Application tracking, Saved universities, Messages from advisors), Admin Dashboard (Manage universities & data, Review student applications, Manage scholarships)

## Footer Structure

Sections:

- About Global Education Info: Mission & Vision statement
- Quick Links: Home, Programs, Scholarships, Apply Now, Contact
- Contact Information: Email, Phone, Address
- Social Links: Facebook, Instagram, LinkedIn, YouTube
- Newsletter Signup: Email field + Subscribe button

## Extra Features (For Real-World Usability)

Chatbot Assistant: Student guidance 24/7

Currency Converter: Tuition fee calculation by country

Cost Estimator: Living + Tuition + Visa total estimation

Blog / News Section: Latest updates & guides

University Reviews & Ratings

Referral Program for Agencies

## **Design Suggestions (UI/UX)**

Use Tailwind's color palette: blue-600, emerald-500, gray-900

Rounded cards, subtle shadows

Grid layouts for university & program sections

Consistent spacing: px-6 py-8

Mobile-first responsive design

## **End Goal**

To create a complete, real-world platform where a student can:

- - Research any global university
- - Learn about tuition, scholarships, & visa info
- - Estimate living cost
- - Prepare for IELTS / PTE
- - Apply directly online
- - Track their admission journey
